WASHINGTON THE INVENTOR OF THE STARS AND STRIPES .- Washington, says and xchang paper, seems to have been the inventor of the thirteen stripes, signifying the union o thirtien colonies. This flag was raised in January, 1776, and was confirmed by Congress in 1777, with the addition of thirteen stars on a blue field. On the Fourth of April 1813, it was enacted by Congress that the United States flag should consist of thirteen stripes alternately waits and red, with twenty stars, white on blue field, and that one star should be added for every new Stete. the addition to be made on the Fourth of July following the admission of each State.

HEAVY RAILWAY IRON.-The London Me chanics' Magazine states that rails, twenty seven feet in length and eighty-two pound to the yard, are being made at the Darling ton Iron-works, and are the largest which have yet been rolled. Railroad companies discover that, by baving strong rails and heavier engines, large trains are worked with less labor, greater dispatch, and at a smaller cost than when lighter stock is used-one train doing the amount of carriwork that three usually perform.

Life Pills and Phonix Bitters. THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable. The following are among the distressing variety of human diseases in which the

Vegetable Life Medicines DYSPEPSIA, by thoroughly cleasing the first and second stomachs, and creating a flow of pure, healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss or APPRITE, HEARTSURN, HEADACHE, Resticesness, Ill-Temper, Anxiety, Langour and Melan choly, which are the general symtoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleaning the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels contive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of respiration in such cases, and the thorough solution of all intestinal obstructions in others.

The Life Medicines have been known to cure REPRE. mal obstructions in others.

The Life Medicines have been known to cure RHEV.

MATISM permanently in three weeks, and GOUT in half that time, by removing local inflamation from the muscles and ligaments of the joints.

BROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and thence have ever been found a certain remedy for the werst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.
